Before booking or participating in a Shore Excursion, all guests should consider their individual risk level resulting from pathogen exposure and make an informed travel decision on that basis. Guests with a higher risk of illness may wish to consult with their doctor prior to booking or participating in a Shore Excursion with us. By booking a Shore Excursion with us, you acknowledge and agree that you understand the risks related to exposure to pathogens and their resulting consequences and illnesses, including those relating to guests who are at a higher risk of illness as a result of the same. Prices and Additional Taxes: An 18% gratuity fee will be added to all reservations at the time of payment. Please note that certain sailings are subject to additional government taxes, such as a value added tax (VAT). Such additional government taxes are not reflected in the price of spa services or in the "Total Purchase" amount shown in your Shopping Cart. During the cruise, applicable government taxes will be calculated and charged to your SeaPass account. Cancellations and Changes: You may change or cancel your spa service reservation(s) online typically two days prior to the date of departure (after that time, changes or cancellations must be made onboard by contacting the Day Spa staff). Refunds for changes or cancellations requested two days prior to departure will be credited to the credit card used to make the reservation in the currency of your cruise booking. Changes or cancellations made onboard will be credited to your SeaPass account in USD. Cancellations made less than 24-hours before the scheduled appointment time and "no-shows" are subject to a cancellation fee. Other Terms & Conditions: The services you have pre-reserved are offered by a third party in our vessels. Those third parties may have their own Terms & Conditions in other forms which you may need to agree to prior to being provided the service. Royal Caribbean's liability to you for those services shall be as provided in its Passenger Ticket Contract.
