Tips for an easy departure

Here's how to make your departure experience as seamless as possible. You can also check out channel 20 on your stateroom television for a video overview of this process.

Due to physical distancing guidelines, we've implemented a more gradual flow for our departure process.

- After you've enjoyed breakfast, please head back to your stateroom and wait until your departure group is called. You will be notified of your departure time on channel 15 on your stateroom television. This is where our schedule will be continually updated. We ask you to verify the schedule on the television prior to leaving your stateroom, and please do not congregate in public lounges or areas.
- All guests have been assigned a specific departure group and time. We've done our best to schedule your departure at a convenient time for you. Please only depart the ship at your designated time.

Self-Assist Early Departure

Avoid the wait by keeping all your luggage with you when you leave your stateroom at your designated time. Assigned departure times begin at approximately 6:45 am and end at 9:30 am.

Note: This option is not available for guests requiring wheelchair assistance, on Royal Caribbean airport transfers or on shore excursions.

Departure morning

- Your invoice will be delivered to your stateroom on the last night of your sailing.

As required by United States federal law, all airlines or other aircraft operators must confirm either a negative COVID-19 test result or recovery from COVID-19 and clearance to travel and collect a passenger attestation on behalf of the U.S. Centers for Disease Control and Prevention (CDC) for certain passengers on aircraft departing from a foreign country and arriving in the United States.

Each individual 2 years of age or older must provide a separate attestation. Unless otherwise permitted by law, a parent or other authorized individual should attest on behalf of a passenger aged 2 to 17 years. The information provided must be accurate and complete to the best of the individual's knowledge.

Under United States federal law, each passenger must provide this attestation. Failure to provide this attestation, or submitting false or misleading information, could result in delay of travel, denial of boarding, denial of boarding on future travel, or put the passenger or other individuals at risk of harm, including serious bodily injury or death. Any passenger who fails to comply with these requirements may be subject to criminal penalties under, among others, 42 U.S.C. § 271 and 42 C.F.R. § 71.2, in conjunction with 18 U.S.C. §§ 3559 and 3571. Willfully providing false or misleading information may lead to criminal fines and imprisonment under, among others, 18 U.S.C. § 1001. Providing this information can help protect you, your friends and family, your communities, and the United States. CDC appreciates your cooperation.

PASSENGER ATTESTATION REQUIREMENT:

I, _____, have read the disclosure pertaining to my obligation to obtain a negative pre-departure test result for COVID-19 or to having recovered from COVID-19 after previous SARS-CoV-2 infection and being cleared to travel in order to board an aircraft departing from a foreign country and arriving in the United States.

Select one of the options that applies:

- I attest that I have received a negative pre-departure test result for COVID-19. The test was a viral test that was conducted on a specimen collected from me during the 3 calendar days preceding the flight's departure.
- I attest that I have recovered from COVID-19 in the last 3 months (90 days), or the time period specified in current CDC guidance, after having previously tested positive for SARS-CoV-2 and have been cleared for travel by a licensed healthcare provider or public health official.
- On behalf of _____, I attest that such person has received a negative pre-departure test result for COVID-19. The test was a viral test that was conducted on a specimen collected from that person during the 3 calendar days preceding the flight's departure.
- On behalf of _____, I attest that such person has recovered from COVID-19 in the last 3 months (90 days), or the time period specified in current CDC guidance, after having previously tested positive for SARS-CoV-2 and has been cleared for travel by a licensed healthcare provider or public health official.
