Notice: Prior to boarding, please consult all applicable U.S. Centers for Disease Control travel advisories, warnings, or recommendations relating to cruise travel, at cdc.gov/travelindex. If a certain threshold level of COVID-19 is detected onboard the ship during your voyage, the voyage will end immediately, the ship will return to the port of embarkation, and your subsequent travel, including your return home, may be restricted or delayed. Health and safety protocols, guest conduct rules, and regional travel restrictions vary by ship and destination, and are subject to change without notice. Due to evolving health protocols, images and messaging may not accurately reflect onboard and destination experiences, offerings, features, or itineraries. These may not be available during your voyage; may vary by ship and destination, and may be subject to change without notice.

* Prices are per person unless otherwise noted and shown in USD. All selections are subject to change. Royal Caribbean International reserves the right to verify eligibility upon arrival to the activity.

Some of Shore Excursions include local transportation, such as motor coaches, minivans, taxis and boats (unless otherwise indicated in the excursion description). Meals and/or beverages are only provided when specified in the excursion description. Snorkeling, scuba and golf tours only include the equipment specified as part of the price. Shore Excursions are subject to cancellation or modification due to weather conditions, local or regional events, or other factors beyond the control of Royal Caribbean International. Shore Excursions are subject to a minimum booking requirement, or must be limited to a maximum number of participants. Not all excursions described on the website may be available during a particular sailing. Royal Caribbean Cruises Ltd. reserves the right to cancel any Shore Excursion due to inclement weather conditions, or any other reason whatsoever, and shall not be liable for any loss whatsoever to guest(s) for reason of such cancellation. Full refunds will be extended to guests holding tickets for canceled Shore Excursions. The Guest accepts that Royal Caribbean Cruises Ltd. acts as agent only for passengers and has no responsibility for the performance of the Shore Excursions herein specified. See your travel agent for additional terms and conditions applicable to your purchase of a Shore Excursion. Shore Excursions are subject to cancellation or modification due to weather conditions, local or regional events, or other factors beyond the control of Royal Caribbean. Unused excursions must be canceled 30 days prior to sailing to avoid cancellation penalties. Other restrictions may apply. These terms do not apply to Perfect Day at CocoCay activities; see Perfect Day at CocoCay activities-specific terms and conditions below. • In the unlikely event that your tour is significantly delayed, we'll make all the arrangements for you to return to the ship at the earliest opportunity at no expense to you.

Exposure to pathogens (such as the virus that causes COVID-19) is an inherent risk in places where people gather and may result in severe illness or death. Due to the COVID-19 pandemic, guests are currently only permitted to book and participate in Shore Excursions which are sanctioned and approved by Royal Caribbean Group ("Approved Shore Excursions"). By booking an Approved Shore Excursion, on behalf of yourself and/or others for whom you are acting (hereinafter, collectively "you" or "your"), you acknowledge and agree to participate in only Approved Shore Excursions during your cruise. You also agree to adhere to the safety and health restrictions provided by Royal Caribbean Group and/or the Approved Shore Excursion operator.

There is no guarantee, express or implied, by Royal Caribbean Group, that the safety and health restrictions provided by the Approved Shore Excursion will prevent exposure to any pathogens. Exposure may occur at any point during your Approved Shore Excursion, including transport to and from activity destinations. Royal Caribbean Group's Approved Shore Excursion protocols are exposure to mitigate the risk of exposure but cannot eliminate it entirely. Approved Shore Excursion operators are independent contractors and are not acting as agents or representatives of Royal Caribbean Group. Approved Shore Excursion operators may not be subject to requirements to comply with applicable laws and regulations, and Royal Caribbean Group has no control over Approved Shore Excursion operators to comply with all applicable laws and regulations. As such, recommended protocols may be subject to requirements by relevant governmental authorities and subject to change upon short notice which may affect the Approved Shore Excursion.

Although Royal Caribbean Group has approved Shore Shore Excursions we do not undertake to supervise or control the Approved Shore Excursion operators or their employees, nor do we maintain their conveyances or facilities, and make no representation, whether express or implied, regarding their suitability or safety. In no event shall Royal Caribbean Group or its respective affiliates or subsidiaries be liable for any loss, delay, disappointment, damage, injury, death or other harm whatsoever to you which occurs on these Approved Shore Excursions as a result of any acts, omissions or negligence of any of the Approved Shore Excursion operators.

Exposure to pathogens may result in severe illness or death. All guests should consider their individual risk level resulting from pathogen exposure and make an informed travel decision on that basis. Guests with a higher risk of illness may want to consult with their doctor prior to booking or participating in an Approved Shore Excursion with us. By booking an Approved Shore Excursion with us, you acknowledge and agree that you understand the risks related to exposure to pathogens and their resulting consequences and illnesses, including those relating to guests who are at a higher risk of illness as a result of the same. The Center for Disease Control and Prevention ("CDC") has stated that senior citizens and guests with underlying medical conditions are especially vulnerable. For more information, please visit www.cdc.gov.

Further, you agree to review and comply with our Guest Health, Safety and Conduct Policy, as well any of our health or safety instructions, or other posted signage. Failure to do so may lead to the termination of your participation in the Approved Shore Excursion and may result in you and/or members of your traveling party being denied boarding onto the vessel or subsequent removal from the vessel. Royal Caribbean Group reserves the right to terminate your participation in the Approved Shore Excursion for any reason whatsoever. Capitalized terms not defined in the Booking Terms and Conditions and/or Guest Conduct and Exclusion Ticket Contract acknowledge and agree that this Agreement shall supersede and prevail.

If any provision or part provision of this acknowledgement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part provision shall be deemed deleted. Any modification to or deletion of a provision or part provision under this clause shall not affect the validity and enforceability of the rest of this acknowledgement.

Finally, you acknowledge and agree that we will collect and use personal information, including health information, in connection with these measures, and may disclose it to health or port authorities, if required. For more information, please see our Privacy Policy.
