DAY 5

Tuesday, January 4, 2022
Philipsburg, St. Maarten

ENJOY PHILIPSBURG, THE CHARMING CAPITAL OF DUTCH ST. MAARTEN

Before St. Maarten became a must-see destination for cruisers, the island was most popular for its must-have ingredient. Salt! Back in the 17th century, Dutch settlers started harvesting salt from Great Salt Pond and sending ship loads back to Europe. Today, the island is split in half between France and the Netherlands Antilles, both sides are unique. As we arrive in Philipsburg, the capital of St. Maarten, you'll immediately notice the Dutch influences, dating back to the colonial days.

While in Basseterre, hike up the Mount Liamuiga trail, then have the ultimate St. Kitts experience and visit The Strip on South Frigate Bay for an authentic local meal. Casual beach spots with super-fresh seafood are your best bet for lunch. And, if you're feeling adventurous, try some West Indian specialties like pepper pot or goat water stew. Whatever you do, we're sure you'll enjoy sampling the culture, the sights and of course, savoring the local cuisine in each destination!

Any pre-paid Royal Caribbean International shore excursions booked for St. Thomas will automatically be refunded as a credit to your onboard account. Unfortunately, we have been unable to move Shore Excursions from our original call date to St Maarten, to tomorrow as we have not been able to secure additional space at this late stage. These excursions will also be refunded to your onboard account. Guests who are fully vaccinated are free to explore on their own.

Rest assured, your health and safety remains our top priority. Thank you for your patience and understanding. We're confident you will enjoy the rest of your time onboard.

Sincerely,

Tips for an easy departure

Here's how to make your departure experience as seamless as possible. You can also find a video overview of this process on channel 7 of your stateroom television.

Due to physical distancing guidelines, we've implemented a more gradual flow for our departure process.

Here are the three key ways this process has changed:

- After you've enjoyed breakfast, please head back to your stateroom to wait until your departure group is called. You will be notified of your departure time on channel 2 of your stateroom television. This is where our schedule will be continually updated — but keep in mind the schedule is approximate. We ask you to verify the schedule on the television prior to leaving your stateroom and please do not congregate in public lounges or areas.
- Whether you are checking bags or carrying your own luggage all guests have been assigned a specific departure group and time. We've done our best to schedule your departure at a convenient time for you.
- You will be asked to present your luggage tag before proceeding to the gangway on Deck 5. Our team will be closely monitoring this process and we appreciate your cooperation.

Healthy Habits As You Head Home

Thank you for spending your vacation time with us. As you start your journey back, we wanted to wish you well and encourage you to keep up the healthy habits you've practiced onboard, all throughout your travels home.

- Wear your mask on public and commercial transportation like taxis, planes and trains.
- Keep space between you and others outside your travel party, wherever possible to do so.
- Wash and sanitize your hands whenever you get the opportunity.

Travel and new experiences are what make life great. But in these times, travel also requires going the extra mile to keep yourself and others around you healthy – especially with the worldwide increase in the latest COVID-19 variant, Omicron. In the days after you return home, you should keep in mind the U.S. CDC recommendations for all travelers.

- After returning, monitor yourself for COVID-19 symptoms.
- Isolate and get tested if you develop symptoms (Learn more about symptoms at [cdc.gov/covid19](https://www.cdc.gov/covid19)).
- Unvaccinated travelers are advised to quarantine at home after any travel experience for 7 days, and take a test 5-7 days after returning.

Thank you for doing your part, we wish you safe travels ahead.

Dear Guest,

As the Captain previously shared, Anthem of the Seas is currently experiencing a mechanical limitation with one of the ship's azipods that will delay our arrival back into Cape Liberty, New Jersey tomorrow. While our ship is 100% seaworthy, as a precaution, we've lowered our speed. As a result, we'll now arrive back into port at 8:30 AM.

We're very sorry for any inconvenience caused by this unexpected situation. We understand that some guests may need to make adjustments to their travel arrangements for their return home.

- If you purchased air or hotel via Royal Caribbean, these will be automatically rescheduled for you.
- If you currently have pre-scheduled transportation for your return home (such as a flight, train ticket, or rental car) and incur a change fee, we will cover up to \$200 USD per person for domestic changes or up to \$400 USD per person for international changes. Please send your receipts to RoyalGuestRelations@rccl.com for review and reimbursement.
- If you pre-purchased a hotel on your own, please reach out to your hotel provider for reimbursement.

If you have any questions or require additional assistance, please contact our Guest Services Team by dialing '0' on your stateroom phone or feel free to stop by the Guest Services Desk located on Deck 5.

Thank you for your patience and understanding. We hope you enjoy the remainder of your time onboard Anthem of the Seas.

Sincerely,

Anthem of the Seas
