### YOUR HEALTH IS OUR PRIORITY

We're all in this together. Here are some things to keep in mind for the health and safety of everyone onboard

#### Tips to have the Perfect Day at CocoCay

- While we all love wildlife, please do not feed the seagulls.
- Sorry, no fishing or taking home any marine life as souvenirs.

#### Keeping Each Other Safe

Please maintain physical distancing of 6 feet (2 meters) between your travel group and others. Wash your hands often and thoroughly.

#### Perfect Pier Safety

As you make your way to Perfect Day at CocoCay, we ask that you please walk in-between the flags on the pier and refrain from jumping into the water from the pier or arrivals bridge. There are plenty of adventures and thrills to be had on the island- plus, this is a safety issue.

### GOOD TO KNOW

#### Going Ashore

Please note that food is not allowed onshore. This includes fruits, vegetables, and drinks.

#### Complimentary Tram Service

Get around the island on a tram line that runs every 15 minutes between the ship, Thrill Waterpark, Coco Beach Club, Up, Up and Away, Oasis Lagoon, and Chill Island.
