There is no guarantee, express or implied, by Royal Caribbean Group, that the safety and health restrictions provided by the Shore Excursion will prevent exposure to any pathogens. Exposure may occur at any point during your Shore Excursion, including transport to and from activity destinations. Royal Caribbean Group's Shore Excursion protocols are imposed to mitigate the risk of exposure but cannot eliminate it entirely. Shore Excursion operators are independent contractors and are not acting as agents or representatives of Royal Caribbean Group or its respective affiliates or subsidiaries. We cannot ensure or guarantee that all such protocols have been implemented or are maintained at all times. We expect all Shore Excursion operators to comply with all applicable laws and regulations. Before booking or participating in a Shore Excursion, all guests should consider their individual risk level resulting from pathogen exposure and make an informed travel decision on that basis. Guests with a higher risk of illness may wish to consult with their doctor prior to booking or participating in a Shore Excursion with us. By booking a Shore Excursion with us, you acknowledge and agree that you understand the risks related to exposure to pathogens and their resulting consequences and illnesses, including those relating to guests who are at a higher risk of illness as a result of the same. The Center for Disease Control and Prevention ("CDC") has stated that senior citizens and guests with underlying medical conditions are especially vulnerable. For more information, please visit www.cdc.gov.

Further, you agree to review and comply with our Guest Health, Safety and Conduct Policy and Refusal to Transport Policy, as well any of our health or safety instructions, or other posted signage.
