YOUR HEALTH IS OUR PRIORITY

We're all in this together. Here are some things to keep in mind for the health and safety of everyone onboard

Tips to have the Perfect Day at CocoCay

- While we all love wildlife, please do not feed the seagulls.
- Sorry, no fishing or taking home any marine life as souvenirs.

Keeping Each Other Safe

Please maintain physical distancing of 6 feet (2 meters) between your travel group and others. Wash your hands often and thoroughly.

Perfect Pier Safety

As you make your way to Perfect Day at CocoCay, we ask that you please walk in-between the flags on the pier and refrain from jumping into the water from the pier or arrivals bridge. There are plenty of adventures and thrills to be had on the island- plus, this is a safety issue.

YOUR HEALTH IS OUR PRIORITY

Poolside Safety

Splashing in the pool is fun but the pool deck can become slippery as a result. Please watch your step in this area.

Be Careful with Doors

Doors onboard - to staterooms, decks, restaurants and other venues - are typically heavier than doors back home. Please use caution when opening and closing them.

Wash up

The best way to prevent colds, flu and gastrointestinal illnesses- such as Norovirus- is to wash your hands with soap and warm water for at least 20 seconds after bathroom breaks and before eating.

GOOD TO KNOW

Need Wheelchair/Mobility Assistance to the Terminal?

Let us help! Please visit Guest Services by noon tomorrow to sign up for ship to terminal transfer. Don't worry, we will send a letter to your stateroom with luggage tags and additional information.

Mind Your Step

Thresholds may be higher onboard than those you are accustomed to you on land. Please use caution when crossing them, especially when wearing high heels.

Sanitization from bow to stern

Sanitization and fogging will occur daily from 3:30 am to 5:00 am at guest corridors. Please stay in your staterooms and away from guest corridors between these hours.
